

Clinic Director positions available throughout California

Aegis Medical Systems, Inc. seeks Clinic Directors for its programs throughout California. Priority will be given to experienced healthcare professionals with an extensive management and clinical background. Candidates should be able to demonstrate maturity, leadership, organizational skills, clinical discretion, critical thinking and result orientation.

Aegis operates the largest, most advanced network of Narcotic Treatment Programs (NTP) in California. With 25 clinics in 15 counties. We deliver an expansive set of services to more than 5,000 patients daily in a multi-disciplinary environment consisting of physicians, therapists, counselors, nurses, social workers, and dieticians. Come join our team of professionals and help change peoples lives.

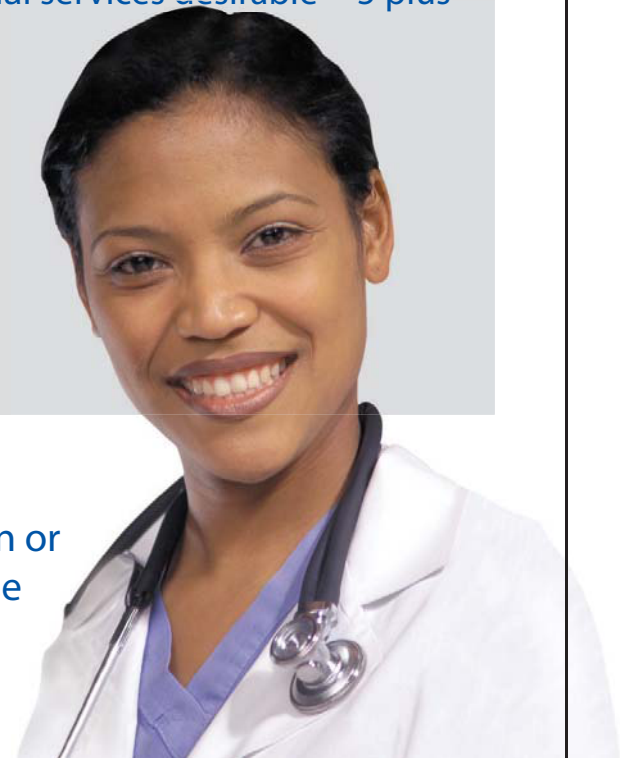

Qualifications:

- ❖ Master in Business, Health Administration, Social Work, Psychology, or Marriage & Family Counseling preferred.
- ❖ Management/supervisory experience of 5 + years desirable.
- ❖ Experience in clinical, mental health, or social services desirable—5 plus years ideal.
- ❖ Demonstrated stable work history required.

Clinic Directors are offered :

- ❖ Competitive compensation.
- ❖ Medical, Dental, Life, Vision, EAP, 401k.
- ❖ Opportunity to work in a proactive, holistic, multi-disciplinary environment.
